## MULTIPURPOSE SURFACE AND RUNNING TRACK

### TOP LAYER

- Engineered with an adjusted coefficient of friction to accommodate sports requiring a high level of pivot movements
- The texture, a redesigned tessellation pattern, improves ball bounce for tennis applications
- The formulation enhances the product's ability to withstand heavy traffic and abuse in multipurpose settings

### SHOCK ABSORPTION LAYER

- Deforming geometries provides enhanced vertical deflection and improved lateral support, increasing both shock absorption and energy return
- Use of proprietary equipment and vulcanization process ensure that biomechanical and physical properties will remain consistent over the product's useful life

### DURABILITY & PERFORMANCE

- Engineered to withstand static and rolling loads such as bleachers, tables and chairs
- Unparalleled lifespan
- Great stain resistance; does not need coatings or specialized maintenance

### GREEN FACTS

- GREENGUARD Gold certified
- Manufactured in an ISO 9001 certified plant
- 100% recyclable and easy to dispose of because it is free of halogen, CFCs, plasticizers, chlorine, heavy metals and asbestos
- Contributes toward the efforts to achieve LEED points

### INDOOR & OUTDOOR COLORS

P30 Red

P58 Cognac

P10 Green

P14 Dark Green

P18 Medium Blue

P85 Light Blue

P31 Medium Grey

P70 Light Grey

### INDOOR ONLY

P86 Marine Blue
